Chief of Staff, United States Air Force  
Washington, D. C. 20301

Dear General Jones:

I want to pass on to you my appreciation for the well-organized and informative visit that I made to your Foreign Technology Division at Wright-Patterson Air Force Base, Ohio, on Saturday, 13 March. The sequence of events and details associated with the briefings and tours directed by FTD's Commander, Colonel John B. Marks, Jr., were excellent. I have a much better understanding of the relationship of the Foreign Technology Division to the rest of the Intelligence Community, and Colonel Marks and his people are to be congratulated on their capabilities, professionalism, and obviously outstanding contributions to national intelligence.

I also appreciate Lieutenant General Stewart coming over from the Aeronautical Systems Division to be with us during the briefings and tours. I hope, through future trips of this nature, that I will become better acquainted with other Air Force elements of the Intelligence Community, and I look forward to these further associations.

Please express my thanks to Major General Keegan and his Staff, to the Air Force Systems Command, and to Colonel Marks and the people of the Foreign Technology Division for the time and effort that went into making this a very successful and impressive trip.

Sincerely,

/s/ George Bush
